*"Como nuevo padre, hice mi propia investigación y visité varias escuelas del distrito RWC. Descubrí que Adelante Selby era la mejor opción para nuestra familia. Me gustó el campus y lo atractivo que es.*

*Ahora que mi hijo es estudiante aquí, descubrí que ha sido fácil navegar con todo el personal. Todos son muy amigables y están ansiosos por ayudarse unos a otros. Toda la participación de los padres es asombrosa.*

*¡Me encanta cada día que venimos a la escuela y todos los buenos días y sonrisas que recibimos de todos!" - Claudia Islas, Kinder Parent*

*"It is hard to sum up our school in a statement, but I can use what my daughter said, which is that, "School feels like home".*

*Our school is a community. It's a place where our kids feel safe, where they feel supported, where they feel encouraged, just like home.*

*When you walk on campus you feel welcomed and you feel a part of something. You see staff and parents working together to support our students and each other. You see parents coming together to create opportunities for our kids, and you see our community coming together to celebrate our cultures.*

*It truly is a special place to be." - Jessica McCarthy, 4th grade parent*
