

Garfield Community School Board Report

November 8, 2023

In Their Words*

Highlights:

- math, because you learn fractions and mixed fractions . . . also, SiPPS because you learn your consonants and vowels.
- La veo más motivada alcanzar su meta. Me gusta lo hicieron esto vez. [goal-setting conference]
- I really like the format [of goal-setting conference] because it puts the ownership on [students]. I liked hearing from [the student] in their own words and seeing their presentations.
- bilingual education.

Wishes:

- Yo quiero aprender.
- time to plan
- more time with Laura learning about 50:50 practices

Gators Celebrating School Events**

In Their Words*

Highlights:

- [My class] is really excited [about the pumpkin decorating contest. I am so proud of you, fifth grade [student council organizers].
- The students were amazing. The [graduation] speeches were heartfelt . . . [They] have been fortunate to attend these past years of school under your guidance . . .
- Gabriel Font's class [Newcomer 6th-8th] won the door decorating contest, and his students are so excited to participate and celebrate today.

Wishes:

- I really think the school should do more events for families to enjoy together with students and staff.
- poner o guiarnos mas al respecto de las drogas.
- more weekend activities.
