9. Please provide summary of negotiated agreement. For example, if the increase in "Year 1" was for less than a full year, what is the annualized percentage of that increase for "Year 1"?

25-26: 2.85% on schedule. Medical Cap increased by \$1000 to \$16,000 Annually

10. Were any additional steps, columns, or ranges added to the schedules? (If yes, please explain.)

No.

11. Does this bargaining unit have any recipients of life time benefits? If so, please indicate number of FTE: and health & welfare amounts.

No.

12. A. Does this bargaining unit have a negotiated cap for Health and Welfare bene Yes No
If yes, please describe the cap amount.

A maximum of 15,000 per year per 1.00 FTE; plus cost of dental coverage up to family coverage. Effective July 1, 2025, the cap will increase by \$1000 for a total of \$16,000. District sponsored single party vision.

B. Describe any negotiated changes in non-compensation items (i.e., class size adjustments, staff develop days, teacher prep time, classified staffing ratios, etc.)

Change in work calendar for Principal and Assistant Principal classifications to 210 days.

Does the negotiated changes in non-compensation items impact the TK-3rd grade average class size requirements for Grade Span Adjustment (GSA) Yes No
If yes, please describe the affects and if there's an alternative agreement for the TK-3rd grade average class size in the contract.

C. Are reduction to budget or program necessary to accommodate the settlement?
Include the impact of changes such as staff reductions or increases, program reductions or increases, elimination or expansion of other services or programs (i.e., counselors, librarians, custodial staff, etc.)

The district is currently evaluating all programs and services as we work to reduce deficit spending. Staff and budget reductions, as one-time funding is fully expended and programs/services are aligned with enrollment, will be necessary in subsequent years. Savings from current and future fiscal years will be used to address the cost of the settlement.

D. What contingency language is included in the proposed agreement? Include specific areas identified reopeners, applicable fiscal years, and specific contingency language.

N/A

E. Will this agreement create, increase or decrease deficit spending in the current or subsequent year(s)? "Deficit Spending" is defined to exist when a fund's expenditures and other financing uses exceed its revenues and other financing sources in a given year. If yes, explain the amounts and justification for doing so.

The settlement increases deficit spending. The compensation increases are necessary to stay competitive for employment purposes in order to hire and retain highly-qualified administrators.

F. Identify other major provisions that do not directly affect the district's costs, such as binding arbitrations, grievance procedures, etc.

N/A

G. Source of Funding for Proposed Agreement

1. Current Year

N/A

2. If this is a single year agreement, how will the ongoing cost of the proposed agreement be funded in subsequent years (i.e. LCFF, COLA, property taxes, staffing reductions, staffing ratio changes, one-time sources, etc.?)

Sources of funding include general fund balances, expected increase in property tax receipts, budget reductions/savings and transfers in to the unrestricted general fund from Fund 25 (until other cost saving measures are implemented).

3. If this is a multiyear agreement, what is the source of funding, including assumptions used, to fund these obligations in subsequent years? (Remember to include compounding effects in meeting obligations.)
