

## 2025-26 Application for Use of Measure U Funds Rocketship Redwood City Charter School

### **Board-Approved Procedure for Disbursement of Measure U Funds:**

Measure U funds will be distributed directly to each school to be spent in accordance with the priorities stated in the Measure U ballot language:

- Enhance math, science, reading, and writing skills
- Attract and retain qualified teachers
- Enhance quality arts and music programs
- Update classroom computers and instructional technology

In 2025-26, each school will receive a baseline amount of \$17,000, plus approximately \$223 per student.

Each year, the board will approve all the proposed expenditures according to the following process:

- Each school's Site Council, which includes the principal, teachers, and elected parent representatives, will develop the proposed expenditures.
- Site Council may only propose expenditures that are in alignment with the ballot language.
- Funds must be spent on a purpose that aligns with at least one of the bullet points above, but not necessarily with all four.
- Each school's Site Council will submit the proposed expenditures to the Superintendent. The Superintendent will review, compile, and recommend the proposed expenditures from all the school sites to the board for approval.

The Citizens Oversight Committee will be responsible for ensuring that the expenditure of all funds complies with the ballot language. The Citizens Oversight Committee does not approve the expenditures in advance; it ensures that the money has been spent properly.
