

Regulation 0450: Comprehensive Safety Plan

Development and Review of Comprehensive School Safety Plan

The school site council shall consult with local law enforcement, the local fire department, and other first responders in the writing and development of the comprehensive school safety plan. When practical, the school site council shall also consult with other school site councils and safety planning committees. (Education Code 32281, 32282)

The school site council may delegate the responsibility for developing a comprehensive safety plan to a school safety planning committee composed of the following members: (Education Code 32281)

1. The principal or designee
2. One teacher who is a representative of the recognized certificated employee organization
3. One parent/guardian whose child attends the school
4. One classified employee who is a representative of the recognized classified employee organization
5. Other members, if desired

Before adopting the comprehensive safety plan, the school site council or school safety planning committee shall hold a public meeting at the school in order to allow members of the public the opportunity to express an opinion about the plan. (Education Code 32288)

The school site council or safety planning committee shall notify, in writing, the following persons and entities of the public meeting, if available: (Education Code 32288)

1. The local mayor
2. A representative of the local school employee organization
3. A representative of each parent/guardian organization at the school, including the parent teacher association and parent teacher clubs
4. A representative of each teacher organization at the school
5. A representative of the school's student body government
6. All persons who have indicated that they want to be notified

In addition, the school site council or safety planning committee may notify, in writing, the following entities of the public meeting: (Education Code 32288)

1. Representatives of local religious organizations
2. Local civic leaders
3. Local business organizations

After the first evaluation or review is conducted, and after each annual evaluation or review, a school employee, a student's parent/guardian or educational rights holder, or a student may bring concerns about an individual student's ability to access disaster safety procedures described in the comprehensive school safety plan to the principal. (Education Code 32282)

If the principal determines there is merit to a concern, the principal shall direct the school site council or school safety planning committee, to make appropriate modifications to the comprehensive school safety plan during the evaluation of the comprehensive safety plan. The principal may direct the school site council or the school safety planning committee to make such modifications before the evaluation, as appropriate. (Education Code 32282)

Content of the Comprehensive Safety Plan

Each comprehensive safety plan shall include an assessment of the current status of any crime committed on campus and at school-related functions. (Education Code 32282)

The assessment may include, but not be limited to, reports of crime, suspension and expulsion rates, and surveys of students, parents/guardians, and staff regarding their perceptions of school safety.

The plan shall identify appropriate strategies and programs that will provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, including all of the following: (Education Code 32282)

1. Child abuse reporting procedures consistent with Penal Code 11164-11174.3
