

## **Policy 5141: Health Care And Emergencies**

The Governing Board recognizes the importance of taking appropriate action whenever an emergency threatens the safety, health, or welfare of a student at school or during ~~school-~~  
~~district-~~sponsored activities.

The Superintendent or designee shall develop procedures to ensure that first aid and/or medical attention is provided as quickly as possible when ~~student~~ accidents and injuries ~~to students~~ occur and that parents/guardians are notified as appropriate.

The Superintendent or designee shall ask parents/guardians to provide emergency contact information in order to facilitate communication in the event of an accident or illness.

District staff shall appropriately report and document student accidents.

### **"Do Not Resuscitate" Orders**

The **Governing** Board believes that staff members should not be placed in the position of determining whether ~~or not~~ to follow any ~~parental~~parent/guardian or medical "do not resuscitate" ~~orders~~order. Staff shall not accept or follow any such ~~orders~~order except under the specific written direction of the Superintendent or designee. The Superintendent or designee may only direct a staff member to follow a "do not resuscitate" order if ~~they have received a written~~the Superintendent or designee has received a written authorization from the student's parent/guardian ~~authorization~~, with an authorized health care provider statement, and an order ~~from~~of an appropriate court.

The Superintendent or designee shall ensure that ~~all~~ parents/guardians who have submitted a "do not resuscitate" order are informed of this policy.

### **Automated External Defibrillators**

The **Governing** Board authorizes the ~~placement of~~Superintendent or designee to place automated external defibrillators (AEDs) at designated school sites for use by school employees in an emergency, ~~in accordance with the accompanying administrative regulation.~~

The Superintendent or designee shall develop guidelines for employees regarding the use of ~~these devices~~AEDs and shall ensure that employees receive information that describes sudden cardiac arrest, the school's emergency response plan, and the proper use of an AED.

~~The~~Additionally, the guidelines shall ~~also~~ specify the placement, security, and maintenance of the AED.

The authorization of AEDs in district schools shall not be deemed to create a guarantee ~~or~~ obligation to use the AED in the case of an emergency nor any expectation that an AED ~~or that an~~ AED will be present or will be used in the case of an emergency, or that a trained employee will be present and/or able to use an AED in an emergency, or ~~any expectation~~ that the AED will operate properly.

### **Trauma/Emergency Kits**

Any district school with an occupancy of 200 or more that was constructed on or after January 1, 2023, or was constructed prior to January 1, 2023, and modified or renovated as specified in Health and Safety Code 19310, shall acquire, place, and maintain trauma kits in accordance with the accompanying administrative regulation.

School employees shall be notified annually of the location of the trauma kits and be provided with information regarding training in the use of the trauma kit. (Health and Safety Code 19310)
