

2025-26 Application for Use of Measure U Funds KIPP Excelencia Community Prep Charter School

Board-Approved Procedure for Disbursement of Measure U Funds:

Measure U funds will be distributed directly to each school to be spent in accordance with the priorities stated in the Measure U ballot language:

- Enhance math, science, reading, and writing skills
- Attract and retain qualified teachers
- Enhance quality arts and music programs
- Update classroom computers and instructional technology

In 2025-26, each school will receive a baseline amount of \$17,000, plus approximately \$223 per student.

Each year, the board will approve all the proposed expenditures according to the following process:

- Each school's Site Council, which includes the principal, teachers, and elected parent representatives, will develop the proposed expenditures.
- Site Council may only propose expenditures that are in alignment with the ballot language.
- Funds must be spent on a purpose that aligns with at least one of the bullet points above, but not necessarily with all four.
- Each school's Site Council will submit the proposed expenditures to the Superintendent. The Superintendent will review, compile, and recommend the proposed expenditures from all the school sites to the board for approval.

The Citizens Oversight Committee will be responsible for ensuring that the expenditure of all funds complies with the ballot language. The Citizens Oversight Committee does not approve the expenditures in advance; it ensures that the money has been spent properly.

To apply for the funds, principals must submit the following form to Patricia Knight no later than April 18, 2025 along with a memo to the RCSD Board on how the funds will be used.

Name of School: KIPP Excelencia Community Prep

Amount of Allocation: \$156,203

Please use the chart below to describe the proposed program/expenditure. Please mark with an "X" which voter-approved priority is addressed. All Measure U expenditures must meet at least one voter-approved priority.

Date Council Discussed: 10/23/2025
