# QUOTE CONFIRMATION

### Pricing and Availability Notice

Due to ongoing supply chain challenges, some hardware manufacturers cannot guarantee product availability or pricing until the product is shipped. While we make every effort to honor quoted pricing, if a hardware manufacturer increases its price to CDW after a quote is issued or order is accepted, we may need to update your quoted price to reflect that change irrespective of any timeframes or validity periods set forth in the quote, including up to the date of shipment. In the event of a price adjustment, we will notify you prior to shipment. Any price adjustment would only occur if the hardware manufacturer increases its pricing to CDW.
