

Policy 5131.2: Bullying

~~The Board of Education recognizes the harmful effects of bullying on student well-being, student learning and school attendance and desires to provide a safe school environment that protects students from physical and emotional harm. ¶~~

~~¶~~

~~The district shall ensure school personnel will address any complaint alleging the occurrence of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) against any student by another student, employee, or other person participating in district programs and activities, including, but not limited to, those programs or activities funded directly by or that receive or benefit from any state financial assistance, based on the person's actual or perceived characteristics of race or ethnicity, color, ancestry, nationality, national origin, actual or perceived citizenship or immigration status, ethnic group identification, age, religion, marital, pregnancy, or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or any other characteristic identified in Education Code 200 or 220, Government Code 11135, or Penal Code 422.55, or based on their association with a person or group with one or more of these actual or perceived characteristics. (5 CCR 4610)¶~~

~~¶~~

This policy shall apply to all acts constituting bullying related to school activity or to school attendance occurring within a district school, to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school, and to all acts of the Governing Board and the Superintendent in enacting policies and procedures that govern the district.

The **Governing** Board recognizes the harmful effects of bullying on student well-being, student learning, and school attendance and desires to provide a welcoming, safe, and supportive school environment that protects students from physical, mental, and emotional harm. No individual or group shall, through physical, written, verbal, visual, or other means, harass, sexually harass, threaten, intimidate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel, or retaliate against them for filing a complaint or participating in the complaint resolution process.

The Superintendent or designee shall develop strategies for addressing bullying in district schools with the involvement of students, parents/guardians, and staff. As appropriate, the Superintendent or designee may also collaborate with social services, mental health services, **law enforcement, courts, and** other agencies, and community organizations in the development and implementation of effective strategies to promote safety in schools and the community.

Such strategies shall be incorporated into the comprehensive safety plan and, to the extent possible, into the local control and accountability plan and other applicable district and school plans.

~~Any student who engages in bullying on school premises, or off campus in a manner that causes or is likely to cause a substantial disruption of a school activity or school attendance, shall be subject to discipline, which may include suspension or expulsion, in accordance with district policies and regulations~~ complaint of bullying shall be investigated and, if determined to be discriminatory, resolved in accordance with law and the district's uniform complaint procedures specified in Administrative Regulation 1312.3. If, during the investigation, it is determined that a complaint is about nondiscriminatory bullying, the principal or designee shall inform the complainant and shall take all necessary actions to resolve the complaint.

If the Superintendent or designee believes it is in the best interest of a student who has been the victim of an act of bullying, as defined in Education Code 48900, the Superintendent or designee shall advise the student's parents/guardians that the student may transfer to another school. If the parents/guardians of a student who has been the victim of an act of bullying requests a transfer for the student pursuant to Education Code 46600, the Superintendent or designee shall allow the transfer in accordance with law and district policy on intradistrict or interdistrict transfer, as applicable.

District families are encouraged to model respectful behavior, contribute to a safe and supportive learning environment, and monitor potential causes of bullying.

Any employee who permits or engages in bullying or retaliation related to bullying shall be subject to disciplinary action, up to and including dismissal.
