ATTENDANCE

Grant funding is dependent on adequate attendance and attendance reporting. Attendance policy is dictated by the California Department of Education. If programs are funded by ASES, they must maintain a minimum eighty-five percent attendance rate for each of the funding streams. Each calendar year contains two “Attendance Periods” (January 1 through June 30 and July 1 through December 31). If program attendance drops below 85% during two calendar years, (four Attendance Periods), the grant will be recalculated and reduced. If program attendance drops below 75% during any Attendance Period, the grant will be recalculated and reduced. Dual funded sites need to achieve 85-100% attendance in ASES. Failure to meet attendance requirements will result in a proportional reduction in payment and/or contract termination.

Provider programs funded by ELO-P grant are required to keep attendance records but are not held to the 85% daily attendance requirement.

ATTENDANCE REPORTING

ASES & ELO-P grant programs require program attendance to be reported to the State twice a year – on January 31 and July 31. Provider must submit hard copies of attendance sheets to the District Office on a monthly basis no later than the 10th of each month. The District Office will conduct monthly audits and provide programs with action items that need to be resolved within 2 weeks of notification.

Provider must keep accurate and detailed attendance records that support the attendance reported to the District, the state and federal government. Provider should keep copies of attendance records for at least 5 years. These records shall be made available to the District at the District’s request. It is Provider’s responsibility to make sure all attendance information is submitted to the District accurately and is identical to attendance information reported in the CitySpan system. Provider must track attendances daily using the District system (CitySpan) and keep parent/caregivers’ sign in and out sheets (hard copies). Sign in and sign out sheets must have parent/caregiver signature, and the Site Supervisor must date and tally the sheets.

Attendance (total students served) is calculated by adding together the number of students who participated each day of the program during the Attendance Period.

STAFFING

California law (Ed. Code §§ 8483.4(a), 46120(b) dictates many staffing requirements, including:

- Provider must employ a Site Supervisor for each site.
- The selection of the Site Supervisor must be approved by the Provider, District Extended Learning Opportunities Program Coordinator, Community School Coordinator, and site Principal.
- ASES programs must maintain an adult-student ratio of 1:20, ELO-P must maintain an adult-student ratio of 1:10 for TK & K and 1:20 for 1st-6th grades.
- All staff used in the above ratio must meet the District's minimum qualifications for an instructional aide:

Redwood City School District Instructional Aide requirements:
