

Policy 1400: Relations Between Other Governmental Agencies And The Schools

~~The Board of Education recognizes that agencies at all levels of government share its concern and responsibility for the health, safety, and welfare of youth. The Board and Superintendent or designee~~ Governing Board believes that district efforts to provide a high-quality education for students in the community can be enhanced by collaboration with other government and public agencies that are responsible for the health, safety, and well-being of children and youth. The district shall initiate and maintain good working relationships with representatives of these local agencies in order to help district schools and students make use of the resources which governmental agencies can provide.¶

¶

~~The district may enter into agreements with other agencies which involve the exchange of funds or reciprocal services. Such agreements shall be approved by the Board and executed in writing.~~¶

¶

~~Elections/Voter Registration~~¶

¶

~~If a city or county elections official specifically requests the use of a school building as a polling place, the Board shall allow its use for such purpose. The Board may authorize the use of school buildings as polling places on any election day, and may also authorize the use of school buildings, without cost, for the storage of voting machines and other vote tabulating devices. If school will be in session, the Superintendent or designee shall identify to elections officials the specific areas of the school buildings not occupied by school activities that will be allowed for use as polling places. (Elections Code 12283)~~¶

¶

~~When a school is used as a polling place, the Superintendent or designee shall provide the elections official a site with an adequate amount of space that will allow the precinct board to perform its duties in a manner that will not impede, interfere, or interrupt the normal process of voting and shall make a telephone line for Internet access available for use by local elections officials if so requested. He/she shall make a reasonable effort to ensure that the site is accessible to disabled persons. (Elections Code 12283)~~¶

to maximize student and family access to support services that will help students achieve to their highest potential.

The **Governing** Board shall initiate or participate in collaborative relationships with city and county elected officials to design and coordinate multi-agency programs that respond to the needs of children and families and provide more efficient use of district and community resources. To further such collaborations, the **Governing** Board may establish or participate in formal structures for governance teams to regularly meet and discuss issues of mutual concern.

The Superintendent and appropriate staff shall cooperate with government and public agencies in the planning and implementation of joint projects or activities within the community. The Superintendent or designee may designate a **staff member coordinator** to ensure effective implementation of the district's responsibilities in any such collaborative project.

In order to identify priorities for services, the Governing Board shall encourage a periodic assessment of children's needs within the community, which may include, but not be limited to, needs based on poverty, child abuse and neglect, poor physical or mental health, substance abuse, violence, homelessness, placement in foster care, or lack of access to child care. The needs assessment should also examine the extent to which those needs are being met through existing services in the district and in the community, the costs of providing those services, and any gaps, delay, or duplication of services.

The Governing Board shall approve the services to be offered by the district, the resources that will be allocated to support collaboration, any use of school facilities for services, and any development or joint use of facilities with other jurisdictions. All agreements with other agencies to coordinate services or share resources shall be in writing. The Governing Board may establish joint powers agreements or memorandums of understanding, when feasible, to formalize the responsibilities and liabilities of all parties in a collaborative activity.

The Superintendent or designee shall work with interagency partners to explore funding opportunities available through each agency, state and national grant programs, and/or private foundations for youth service coordination and delivery.

In order to facilitate service delivery or determination of eligibility for services, the district may share information with other appropriate agencies as long as the parent/guardian consents and the information is shared in accordance with laws pertaining to confidentiality and privacy.

The Governing Board shall receive regular reports of progress toward the identified goals of the collaborative effort. The reports may include, but not be limited to, feedback from staff and families regarding service delivery, numbers of children and families served, specific indicators of conditions of children, and indicators of system efficiency and cost effectiveness.

The Governing Board shall communicate with the community about the district's collaborative efforts and the conditions of children within the schools. The Governing Board may advocate for local, state, and national policies, programs, and initiatives designed to improve the conditions of children and youth.
