

## **Bylaw 9322: Agenda/Meeting Materials**

Governing Board meeting agendas shall reflect the district's vision and goals and the Board's focus on student learning and well-being.

Each agenda shall state the meeting time and location(s) and shall briefly describe each item listed in the agenda, including items to be discussed in closed session in accordance with Board Bylaw 9321 - Closed Session. (Government Code 54954.2)

For a regular meeting, the Governing Board may consider an item not included in the posted agenda in accordance with Board Bylaw 9323.2 - Actions by the Board.

### **Public Comment**

The agenda shall provide members of the public the opportunity to address the Governing Board on any agenda item before or during the Governing Board's consideration of the item, including items to be considered in closed session in accordance with Board Bylaw 9321 - Closed Session and items listed on the consent agenda. (Education Code 35145.5; Government Code 54954.3)

Before any other open session agenda item, there shall be one public comment item on every meeting agenda to give members of the public the opportunity to address the Governing Board on any item on the open session agenda. The public comment period shall last no longer than forty minutes unless extended in accordance with Board Bylaw 9323 - Meeting Conduct. No member of the public may be permitted to speak more than once during this item.

As part of every open session item, the Governing Board President may provide an opportunity for members of the public to address the Board on that item. No member of the public may be permitted to speak more than once on each item.

The agenda need not provide an opportunity for public comment on an item that has previously been considered at an open meeting by a committee comprised exclusively of Board members, provided that all of the following conditions were met: (Government Code 54954.3)

1. Members of the public were afforded an opportunity to comment on the item, before or during the committee's consideration of the item
2. The item has not been substantially changed since the committee considered it

3. A quorum of the committee attended and participated in the committee meeting at which the item was considered from a singular physical location that was clearly identified on the agenda, open to the public, and situated within the boundaries of the district
4. Any other applicable provisions of Government Code 54954.3

Additionally, the agenda for a regular meeting shall provide members of the public with an opportunity to address the Board regarding matters within the subject matter jurisdiction of the Board which are not on the agenda. (Education Code 35145.5; Government Code 54954.3)

The notice and agenda shall include information describing how members of the public can access the platform or service and how members of the public can offer public comment if required pursuant to Board Bylaw 9320.1 - Remote Meetings and Attendance.

### **Disability-Related Accommodations or Modifications**

The agenda shall include information regarding how, when, and to whom a request for disability-related accommodations or modifications, including auxiliary aids and services, may be made by an individual who requires accommodations or modifications in order to participate in the meeting, as well as the procedure for receiving and resolving such requests as required by law. (Government Code 54953.8, 54954.2)

Each agenda for a regular meeting shall list the address designated by the Superintendent or designee for public inspection of documents related to an open session item, or for records of a statement threatening litigation against the district to be discussed in closed session, when such documents have been distributed to the Board less than 72 hours before the meeting. (Government Code 54956.9, 54957.5)

Each agenda shall include a statement regarding the option for students and parents/guardians to request that directory information or personal information of the student or parent/guardian, as defined in Education Code 49061 and/or 49073.2, be excluded from the minutes. Additionally, the agenda shall state that the request must be made in writing to the secretary or clerk of the Board. (Education Code 49073.2)

### **Agenda Preparation**

The Governing Board president and the Superintendent, as secretary to the Board, shall work together to develop the agenda for each meeting, including whether an item requires Board action and whether an item shall be considered in open or closed session.

Any member of the public, or an individual Board member acting in that Board member's capacity as a member of the public, may request that a matter within the subject matter jurisdiction of the Board be placed on the agenda of a regular meeting. The request shall be submitted in writing to the Superintendent or designee with supporting documents and information. (Education Code 35145.5)

The Governing Board president and Superintendent shall decide whether such a request is within the subject matter jurisdiction of the Governing Board. Items not within the subject matter jurisdiction of the Governing Board shall not be placed on the agenda. Additionally, if the Governing Board president and Superintendent determine that the request is merely a request for information, then the request shall not be placed on the agenda.

A Governing Board member may request in writing, at a meeting as part of a related open session item, or at a meeting as part of an open session item intended for this purpose that a specific matter within the subject matter jurisdiction of the Governing Board be placed on an upcoming Board agenda. Within thirty (30) days of receiving the request, the Governing Board member shall be informed by the Governing Board president if the request has been approved or denied by the Governing Board president and Superintendent.

If the request is approved, the Governing Board president and Superintendent shall inform the Governing Board member of the general timeframe that the matter will be placed on an agenda, on which part of the agenda the item will appear, and whether the item requires action by the Governing Board. If the request is denied, the Governing Board president and Superintendent fail to provide a response to the request, or the requesting Board member disagrees with the timeframe that the matter will be placed on an agenda, on which part of the agenda the item will appear, or whether the item requires action by the Governing Board, then the Governing Board member may appeal the response to the request to the Governing Board. The Governing Board president and Superintendent shall place the appeal on the next upcoming regular meeting agenda for Board action, but only as to whether, when, and how to agendize the requested matter. If a majority of the Governing Board agrees with the appeal, the item will be considered in accordance with the decision of the majority of the Governing Board.

In order to promote efficient meetings, the Governing Board may bundle a number of items and act upon them together by a single vote through the use of a consent agenda, except as required by law. Consent items shall be items of a routine nature for which Board discussion is not anticipated and for which the Superintendent recommends approval.
