

RCSD Elective/Course Review Form

Teachers: Please use this form to provide information so HR can determine which credential pathway may be needed to approve your elective course you will be teaching. Please complete ONE FORM for EACH elective or course you will teach.

The respondent's email (**crystal.nt63@gmail.com**) was recorded on submission of this form.

Teacher Full Name *

Crystal Tran

Credentials I hold (please be specific eg, Multiple Subject, Single Subject Math, added/
supplemental authorization etc)

*

Multiple Subject

School Site *

- ☐ Adelante/Selby
- ☐ Clifford
- ☐ Cloud
- ☐ Garfield
- ☒ Hoover
- ☐ Kennedy
- ☐ MIT
- ☐ NSA
- ☐ Orion
- ☐ Roosevelt
- ☐ Taft

Grade Level *

4th-8th

Elective Course title *

STEAM

We have different models of elective delivery in RCSD. I will be teaching this course in: *

- ☐ Trimester 1
- ☐ Trimester 2
- ☐ Trimester 3
- ☒ The entire school year
- ☐ Aug-Dec
- ☐ Jan-June

Outcomes/Goals for students. What project or end product will be produced? *

Students will engage in hands-on, interdisciplinary project-based learning across Science, Technology, Engineering, Arts, and Math. Throughout the course, students will complete cross-curricular design projects including digital/physical prototypes, math/art projects, and lab based inquiry projects.

Describe the standards/topics/activities that will be taught. *

I plan to integrate NGSS, Common Core Math Standards, and the CTE Standards focusing on Engineering, ICT, and career ready practice.

What background do you have to teach this course? Does the standards fall within your credential? Are these topics a hobby? Please explain. *

I hold a Multiple Subject Teaching Credential. I also have a strong background aligning with STEAM disciplines. Undergrad science and math focus, entry level CS courses, and personal/hobby/affinity for the arts.

The CTC requires the District to prove you are qualified to teach this course. Please explain how *
you qualified to teach this course.

I am qualified to teach this course through a combination of undergrad and post grad coursework. I have experience with lab science, CS, and a strong math background. My Multiple Subject Master's program has also trained me to effectively deliver instruction across these subjects.

I agree I would like the Local Committee on Assignments to review this course information and *
recommend an approval to the School Board so students may take this course. Please type your
name as your signature.
