Estimated Transit Times

Please factor in the following lead times when arranging for delivery of our printed materials.

Shipping varies by location and shipping method from our warehouse in Littleton, MA. Locations considered to be remote, including locations within contiguous and non-contiguous states, may require additional transit days and special carrier services. See the maps below for further explanation.

*The threshold for UPS orders may be raised during peak season (i.e., June–September).
Please note that UPS deliveries may arrive over several days.

Additional Tips for Successful Delivery:

- Indicate on your Purchase Order if you would like to ship to a central location, such as a district warehouse, or to individual schools.
- Select a delivery window when someone will be at the delivery location to accept the order.
Notify others, such as front office or custodial staff, about the delivery.

Curriculum Associates®

Information on Professional Learning Sessions

Protecting the health and safety of the educators we serve and their students, as well as the health and safety of our employees, is of paramount importance to Curriculum Associates. In the event of a (i) government-declared public health emergency or (ii) weather event, that materially impacts in-person instruction, sessions may transition to a virtual format. Curriculum Associates' policy is to only provide PL sessions in person where one of our employees can reach the session site by car and where adequate safety measures are in place to protect the health of our session leaders and participants. Curriculum Associates reserves the right to switch any session from in-person to virtual if we cannot safely reach a session site, or if adequate health safety measures cannot be put in place.

If your school or district will not permit visitors at the time of a scheduled session, Curriculum Associates would be happy to provide an equivalent live, virtual session via videoconference. Similarly, Curriculum Associates will comply with your school or district's health and safety requirements regarding on-site visitors if we are given adequate advance notice.

Any questions regarding scheduling in-person or virtual training sessions should be directed to pdoperations@cainc.com.
