#### **Responsibilities of School Site Council:**

Review, modify, and evaluate the annual Single Plan for Student Achievement.

The school has a Mandarin Immersion program offering 21st-century learning wherein students become bilingual and bi-literate.

The school offers an Alternative Education Program that meets 21st-century learning. It offers a nurturing learning environment where students develop positive values of self-reliance, initiative, kindness, resourcefulness, courage, creativity, and joy.

**Discussion:**

- **Question 1:** Based on what you know about the district’s funding challenges, please prioritize the programs, services, or supports you consider most important to preserve — both at your school site as well as districtwide. This could include two different or overlapping lists.
- **Question 2:** Are there programs, services, or practices that could be streamlined, combined, or restructured to make better use of limited resources?
